The Hartford door on Maple comes in Natural Maple for all Condos except the Penthouse. The hardware for these cabinets is to be brushed nickel to match the stainless appliances.

The Dark Granite and Hardware in the picture below are choices for the Penthouse.

There are 3 granite colors Dark, Medium, Light.

Dark goes in 3-bedroom condos

Medium goes in 2-bedroom condos Light goes in single-bedroom

This is the lightest color granite on the darkest color granite.
